

NEW Numi® Honed Black Intelligent Toilet Released for Shipment

Numi Honed Black K-3901-NPR-HB1 Now Available

We are pleased to announce the release of the new Numi Honed Black Intelligent Toilet with premium remote control. The Numi Honed Black toilet combines unmatched design and technology to bring you the finest in personal comfort and cleansing. The most advanced KOHLER® toilet, now available in a unique, bold honed black color, lets you fine-tune every option to your exact preferences, from ambient colored lighting to wireless Bluetooth®* music sync capability, to the heated seat and foot warmer.

Product Features:

- Motion-activated, hands-free opening/closing of seat and cover.
- Dual flush offers a choice of 0.6 or 1.28 gallons per flush (gpf).
- Advanced cleansing functionality with self-cleaning wand, precision air dryer, and deodorizing filter all in one.
- Adjustable heated seat and foot warmer.
- Ambient lighting with eight colors and three programming options.
- Built-in speakers play preprogrammed custom Numi songs, FM radio, or your personalized music from a portable device with BLUETOOTH®* technology or auxiliary cable, or simply load a playlist or welcome message to the SD card.
- Power-Save mode monitors usage and adjusts heated seat settings to save energy.

- Emergency battery backup flush supports up to 100 flushes during power outage.
- Touch-screen remote control with magnetic wall-mount docking/charging station.
- User presets for up to six people to recall individual saved preferences.
- Remote is adjustable to 12 different languages.

Installation

- Standard 12-inch rough-in.
- Requires a supply stop with 1/2-inch OD compression male outlet thread.
- Requires a 120 V, 15 Amp minimum, 60 Hz receptacle protected by a GFCI or RCD.
- Supply line included.
